Subject: MAX TV Storyboards

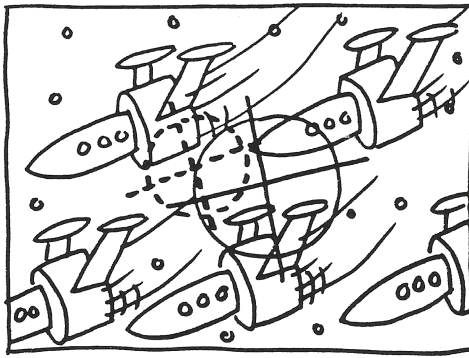

Attached are some proposed storyboards on the new Max Machine.

I believe these are in the general direction of what we are looking for. Obviously, much more detailed work will be needed before proceeding to production.

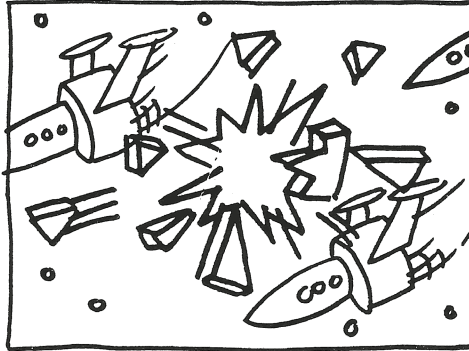

For your information, Ally & Gargano were asked to come up with a further proposal on the C64 TV commercial at the recent meeting with Jack and myself.

SURE, YOU COULD GET A GAME MACHINE ALMOST THIS GOOD

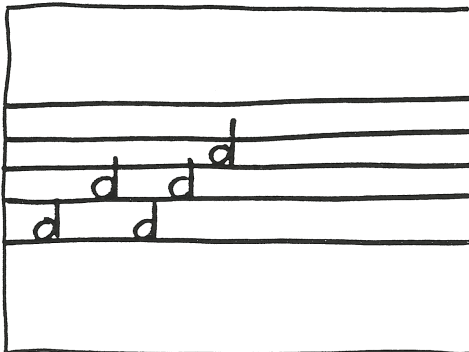

FOR ABOUT \$150.

AND YOU COULD GET A PERSONAL COMPUTER THIS ADVANCED

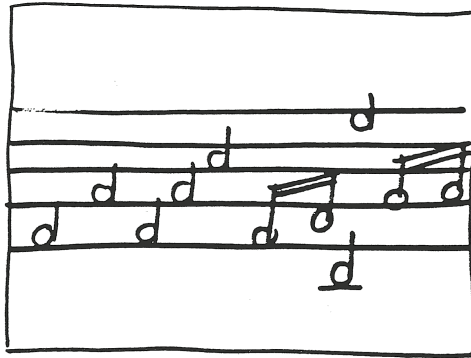

FOR ABOUT \$200.

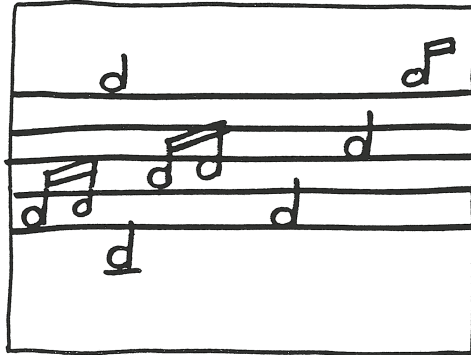

YOU COULD EVEN RUN OUT

AND FIND A MUSIC SYNTHESIZER AS IMPRESSIVE AS THIS

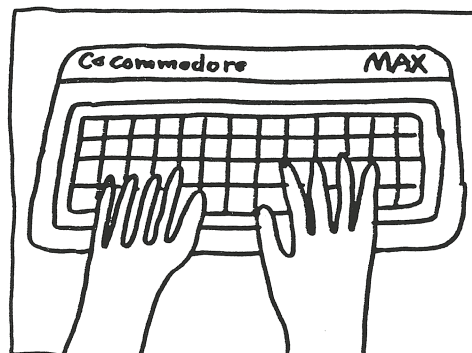

FOR APPROXIMATELY \$500.

BUT WHY WOULD YOU WANT TO DO THAT WHEN COMMODORE, THE WORLD'S LEADING PERSONAL COMPUTER MAKER

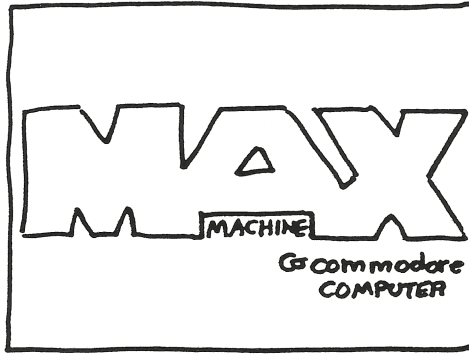

GIVES YOU THE ONLY GAME MACHINE, TRUE COMPUTER AND FULL FLEDGED MUSIC SYNTHESIZER

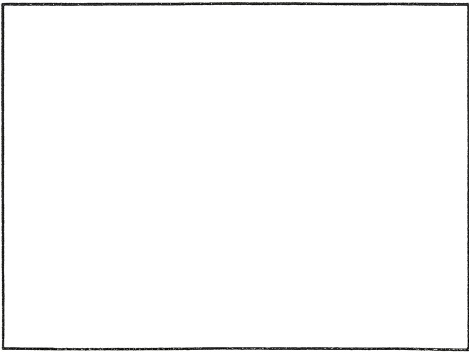

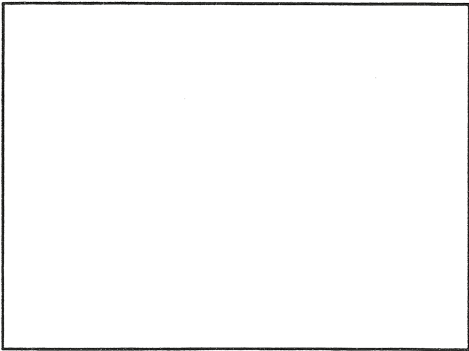

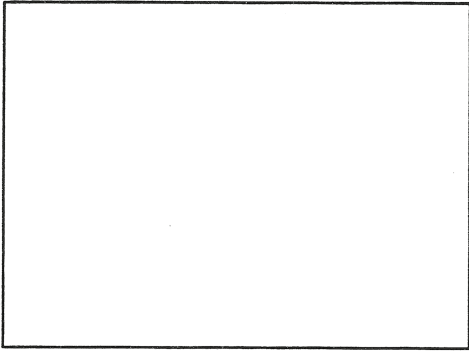

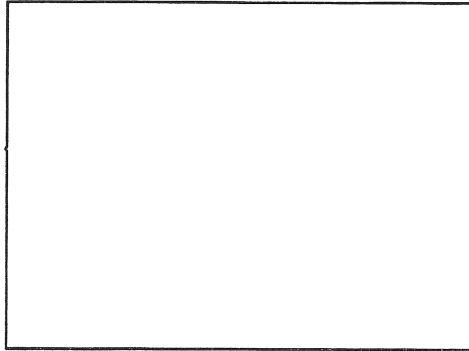

IN THIS ONE MACHINE FOR WAY UNDER \$200.
